Investors should read the section "Significant Risks" below as well as the section "Risk Factors" of the relevant Issuance and Offering Programme, as amended from time to time. By investing in this product (the "Product"), the Investor may put his capital at risk and, in addition, transaction costs may incur. Investors may lose some or all of their investment. Investors are exposed to the credit risk of the Issuer.

Even though translation into other languages might be available, it is only the Final Terms and the relevant Issuance and Offering Programme in English language which are legally binding.

For Switzerland:

This Product is a derivative instrument according to Swiss law. It does not qualify as unit of a collective investment scheme pursuant to art. 7 et seqq. of the Swiss Federal Act on Collective Investment Schemes ("CISA") and is therefore neither registered nor supervised by the Swiss Financial Market Supervisory Authority FINMA. Investors do not benefit from the specific investor protection provided under the CISA.

This document is a termsheet prepared in view of the issuance of the Products and not a prospectus within the meaning of article 40 et seqq. of the Swiss Federal Act on Financial Services ("FinSA"), a private placement documentation, a key information document according to article 60 of the FinSA or any equivalent document under the FinSA. The information contained in this document is not complete and is subject to completion and amendment. This document has not been approved by a reviewing body pursuant to articles 51 et seqq. FinSA. This document does not, and is not intended to, constitute or contain an offer or invitation to sell, and it is not soliciting offers to buy, the Product in any jurisdiction where such offer or sale is not permitted.

This Termsheet is a non-binding summary of the economic terms of the product and does not purport to be exhaustive. It is an advertisement document in the sense of Swiss law in relation to the product and is provided for information and discussion purposes only. It does not constitute or imply any offer, solicitation or commitment on the part of the Issuer. This Termsheet is neither a prospectus nor a key information document within the meaning of the Swiss Federal Act on Financial Services (FINSA). The binding terms and conditions of the product will be set out in the Final Terms or Pricing Supplement, as applicable (the "Issue terms") which amends and supplements the terms and conditions in the Base Prospectus. Investors must read all of these documents and copies are available from the Lead Manager.

Taxation Switzerland

Swiss Federal Stamp Duty	Secondary market transactions are not subject to Swiss stamp duty. The possible Delivery of the Underlying may be subject to Swiss stamp duty.
Swiss Federal Income Tax (for private investors with tax domicile in Switzerland)	For private investors with tax domicile in Switzerland holding the Product as part of their private property, the Interest Component of the coupon on the respective payment date(s) is subject to the Federal Direct Tax. The Option Premium Component is considered as a capital gain and is therefore tax exempt for such Investors. The tax treatment regarding the cantonal and communal income taxes can differ from the tax treatment regarding the Federal Direct Tax. But in general the income tax treatments are corresponding.
Swiss Withholding Tax	The Product is not subject to the Swiss withholding tax.

The tax information is a non-binding summary and only provides a general overview of the potential Swiss tax consequences linked to this Product at the time of issue. Tax laws and tax interpretation may change at any time, possibly with retroactive effect.

Investors and prospective Investors are advised to consult with their tax advisers with respect to the Swiss tax consequences of the purchase, ownership, disposition, lapse or exercise or redemption of a Product in light of their particular circumstances. The Issuing Parties and the LeadManager hereby expressly exclude any liability in respect of any possible tax implications.

Information with regards to FATCA (Foreign Account Tax Compliance Act)

Any payment under this Product may be subject to withholding tax (such as, inter alia, withholding related to FATCA or 871(m) of the US Tax Code). Any payments due under this Product are net of such tax. If an amount in respect of Section 871(m) of the U.S. Tax Code were to be deducted or withheld from interest, principal or other payments on the Products, none of the Issuer, any Paying Agent or any other person would be required to pay additional amounts as a result of the deduction or withholding of such tax, i.e. the Investor would receive a significant lower amount than he would have received without such deduction or withholding.

Product Documentation

It is intended that the Products will be issued with a pricing supplement (the "Pricing Supplement"), which will be available no later than on the Issue Date, under the base prospectus ("Base Prospectus") of the relevant Issuance and Offering Programme (the "Programme") dated 16 November 2020 containing all further relevant terms and conditions. The Pricing Supplement together with the Base Prospectus shall form the entire and legally binding documentation for this Product ("Product Documentation"). The Pricing Supplement should always be read together with the Base Prospectus. Definitions used in this Termsheet, but not defined therein, shall have the meaning given to them in the Pricing Supplement and the Base Prospectus. Even though a translation into other languages might be available, it is only the Pricing Supplement and Base Prospectus which are legally binding.

Neither the Base Prospectus nor the Pricing Supplement or any other offering or marketing material relating to the Products constitute a prospectus pursuant to the FinSA, and such documents may not be publicly distributed or otherwise made publicly available in Switzerland, unless the requirements of FinSA for such public distribution are complied with. The Products documented in this Pricing Supplement may not be offered, sold or advertised, directly or indirectly, in Switzerland to 500 or more than 500 retail clients (Privatkundinnen und -kunden) within the meaning of FinSA ("Retail Clients"). Neither the Pricing Supplement nor any offering materials relating to the Products shall be made available to 500 or more than 500 Retail Clients in Switzerland. The offering of the Products directly or indirectly, in Switzerland will only be made by way of private placement, i.e. addressing the Products solely at investors classified as professional clients (professionelle Kunden) or institutional clients (institutionelle Kunden) as per FinSA ("Professional or Institutional Clients") and/or to fewer than 500 Retail Clients. The Products are not and will not be admitted to trading on a Swiss trading venue.

Notices to Investors in connection with this Product shall be validly given in accordance with the terms and conditions of the Programme. In addition, any changes with regard to the terms and conditions of this Product will be published on the relevant Termsheet on www.leonteq.com under the section "Products" or, for listed products, in any other form as permitted by the rules and regulations of the relevant Exchange. Notices to Investors relating to the Issuing Parties will be published under the section "About Leonteq" on www.leonteq.com and/or on the web page of the respective Issuing Party.

During the whole term of this Product, the Product Documentation can be ordered free of charge from the Lead Manager at Europaallee 39, 8004 Zurich (Switzerland), via telephone (+41 58 800 1111*), fax (+41-(0)58-800 1010) or via e-mail (termsheet@leonteq.com). Please note that all calls made to numbers marked with an asterisk (*) are recorded. By calling such number, your consent to the recording is deemed given.

Guarantee

This Product is secured under the Guarantee Agreement between the Issuer and the Guarantor which is governed by Swiss law. The Guarantor guarantees for the payment of the redemption amount or any other cash settlement amount, or, as the case may be, to deliver the Underlying, in cases of the Issuer's failure to deliver the Underlying or make payment of the

redemption amount or any other cash settlement amount for the benefit of the Investor in respect of any Product that is issued by the Issuer and for which the Guarantor guarantees.

The Guarantee Agreement applicable to this Product is included in the Programme of the relevant Issuer valid as per the Initial Fixing Date and a signed copy may be ordered free of charge from the Lead Manager.

Significant Risks

Prospective Investors should ensure that they fully understand the nature of this Product and the extent of their exposure to risks and they should consider the suitability of this Product as an investment in the light of their own circumstances and financial condition. Products involve a high degree of risk, including the potential risk of expiring worthless. Potential Investors should be prepared in certain circumstances to sustain a total loss of the capital invested to purchase this Product as well as the transaction costs. Prospective Investors shall consider the following important risk factors and read the section "Risk Factors" of the Programme for details on all other risk factors to be considered.

This is a structured product involving derivative components. Investors should make sure that their advisors have verified that this Product is suitable for their portfolio taking into account the investor's financial situation, investment experience and investment objectives.

The terms and conditions of the Product may be subject to adjustments during the lifetime of the Product as set out in the Programme.

Product Specific Risks : To the extent that this Product is not capital protected, investors may lose some or all of their investment as well as the transaction costs as they are fully exposed to the performance of the Underlyings. The Product does not confer any claim to receive rights and/or payments of the Underlying, such as dividend payments, unless explicitly stated in the documentation governing the Product. Please refer to the Product Documentation as regards the further Product specific risk factors to be taken into account.

Issuer Risk : Investors are exposed to the credit risk of the Issuer. If the Issuer is not able to make a payment and becomes insolvent, investors could lose some or all of their investment.

Market Risk : Market risk may have a negative impact on the value of and the return on an investment in the Product. Market risk is the risk associated with the effect of changes in market factors such as interest and foreign exchange rates, equity and commodity prices, credit spreads or implied volatilities, on the value of assets and liabilities held for both the short and long term. Market risk may also lead to an early redemption of the Product (e.g. in the event of a hedging disruption).

Liquidity Risk : The Issuer or, as the case may be, the guarantor or a third party appointed by the Issuer or guarantor, if any, intends to act as market maker in relation to the Product and it will use commercially reasonable efforts to provide indicative bid and offer prices for the Product on a regular basis under normal market conditions. However, such market maker does not have an obligation to provide prices for the Product. Liquidity of the Product in the secondary market may be limited and an active trading market for the Product may not develop. Accordingly, investors may not be able to sell their Product.

Currency Risk : If the investor's reference currency is different from the currency, in which the Product is denominated, the investor bears the currency risk between the two currencies. The fluctuations in exchange rates could have an adverse effect on the value of or return on an investment in the Product, even if the redemption amount would otherwise provide for a positive return. If the Underlyings are calculated in a currency different from the Currency of the Product, the conversion into the Currency of the Product will be carried out at the relevant exchange rate.

Early Termination and Reinvestment Risk : The Product may be early redeemed prior to the maturity of the Product (be it by declaration of the issuer or as a result of certain events specified in the terms of the Product) and investors must consider that in case of such an early redemption, investors will not receive any further coupon payments after the occurrence of the early redemption and the redemption amount may be significantly below the issue / purchase price paid and the early redemption amount payable at maturity. Investors may not be able to reinvest the early redemption amount in a financial instrument with the same profit potential and additional transaction costs may be incurred as a consequence of a reinvestment of the early redemption amount.

Illiquidity of Underlying : One or, if applicable, more of the Underlyings might be or become illiquid over the life time of the Product. Illiquidity of an Underlying might lead to larger bid/offer spreads of the Product and/or to an extended time period for buying and/or selling the Underlying respective to acquire, unwind or dispose of the hedging transaction(s) or asset(s) or to realise, recover or remit the proceeds of such hedging transaction(s) or asset(s) which might implicate a postponed redemption or delivery and/or a modified redemption amount, as reasonably determined by the Calculation Agent.
